The Bunny Is Back

Candler Park Easter Egg Hunt is April 7; volunteers needed

By Mark Clement, CPNO

The Easter Bunny will visit our neighborhood once again this spring, bringing a whopping 2,500 eggs. That's a whole lot of hiding and hunting fun for all ages. The hunt will be divided into three age groups, with kids hunting at the same time in three adjacent areas.

We promise that if a child makes his or her best effort and doesn't find an egg, the Easter Bunny can go home with you—but you have to feed him, and he eats a little more than your average rabbit.

The hunt kicks off at **noon on Saturday, April 7, in Candler Park**. Hidden in each section will be a Rooster Egg that's worth a special prize.

Don't forget your camera to take pictures with the Bunny. The Easter Egg Hunt is brought to you by the Friends of Candler Park and the CPNO.

Volunteers: yep, we need them. We will be having an Easter-egg-stuffing party at Kate Sandhaus's house at 7 pm on Friday, March 30. Please RSVP to kate@katesandhaus.com. (Thank you, Kate!) Then the Easter Bunny will need some help hiding all those eggs. To help, please rally at the pavilion no. 1 at 10 am the day of the hunt.

Last year, we got started hiding eggs too early. To our horror, we discovered squirrels like Easter eggs almost as much as kids do. So we will need lots of help shortly before the hunt time to hide eggs to minimize the number of eggs that wind up in the trees.

- **Egg Stuffing Party: Friday, March 30, 7 pm, the Sandhaus house**
- **Egg Hiding: Saturday, April 7, 11 am, Candler Park pavilion no. 1**
- **Candler Park Easter Egg Hunt: Saturday, April 7, noon, Candler Park**

APS Redistricting Update

CP Education Committee staying vigilant as new developments unfold

By Paige Parvin

It's been a busy few weeks for the Candler Park Education Committee as Atlanta Public Schools (APS) continues its redistricting process.

On March 4, Superintendent Errol Davis released his proposal (found here: <http://www.atlanta.k12.ga.us/Page/413>), which was expected to reflect the series of maps and scenarios produced by external demographers hired by APS to help recommend solutions to inefficiencies across the system. The proposal aligns with several of the key objectives set out by our Education Committee, including:

- Keeping Mary Lin intact as a K-5 elementary
- Providing an expansion and renovation for Mary Lin Elementary
- Keeping the Candler Park/Mary Lin community within the Inman-Grady cluster

One element of Davis's proposal that surprised many advocates and observers is the closing of Coan Middle School as a regular 6-8 program in favor of making it a 6th-grade academy for the entire Grady cluster, leaving Inman with 7th and 8th grades. This proposal has frustrated some parents in nearby communities who are currently zoned for Coan. Stakeholders in other neighborhoods are concerned about the location of Coan, which is relatively remote for some in the Grady cluster.

Overall, the latest proposal is favorable for the Mary Lin community, according to Kate Sandhaus, CPNO communications officer and chair of the Education Committee.

by Deb Milbrath

Redistricting, from page 2

"The Davis proposal attempts to balance the many competing needs across the district, and calls for a 'shared solution' to the Inman Middle over-crowding issue," says Sandhaus. "When the final proposal is approved, we look forward to working with APS and surrounding communities on making its implementation successful."

However, she cautions, the process is not over and it's important that the Mary Lin community stay engaged.

Next steps include an SRT3 community meeting on March 21, where community members in our zone can offer feedback; the release of Davis's final proposal on April 9; and the Atlanta Board of Education vote on April 10.

Visit candlerpark.org/redistricting for updates.

Our Schools: How You Can Help

1) Attend the community input meeting on March 21 at 6:30 pm at Jackson High School (801 Glenwood Avenue Southeast, 30316). It's important to have a large Mary Lin turn-out at this meeting.

2) Contact stakeholders to let them know that you approve of the Davis proposal, and let them know why. Keep it positive, thank them for their efforts, and let them know we're ready to partner with APS and other communities to make this plan successful.

Dr. Bombay's Still Giving Back

Business faces zoning challenge; CPNO vote March 19

By Paige Parvin

For more than six years, Dr. Bombay's Underwater Tea Party has been a fixture in Candler Park's business district, peddling coffee, baked goods and snacks, ice cream, and of course, tea (more than 65 kinds!) to neighborhood residents and visitors from all over. Last year, the shop expanded into a second room, making it an even more inviting space for small meetings and lone laptop users who prefer its warm eccentricity to a coffee shop chain.

From the beginning, founder and owner Katrell Christie wanted the business to give back to the community. She started by collecting donated books, reselling them for \$1, and giving the money to Mary Lin Elementary. Now those funds go to the Learning Tea, a nonprofit organization Katrell started in 2010 after visiting Darjeeling, India, and seeing firsthand how difficult life is for teenage girls living in poverty.

Because education is the only hope these girls have to improve their situation, Katrell committed to fully funding the education of three orphan girls at a Darjeeling university. When she began to tell her story to friends and neighbors in Candler Park, she was surprised by how many stepped up to help, by making donations and sipping fair-trade tea at Dr. Bombay's.

"I really feel like it's my community that has made the whole project happen," she says. "Candler Park and Dr. Bombay's together are putting these girls through college."

Through tea sales, the Learning Tea is now supporting 11 girls in college, and rents a dorm-like building to provide housing for them while they are in school.

Dr. Bombay's, from page 4

Dr. Bombay's is currently facing a zoning challenge and has applied for a special exception with the City of Atlanta. When she expanded the shop, Katrell was unaware that due to parking limitations, the space is zoned for retail use and not food service. Until the matter is resolved, Katrell has had to close the second room of the shop, which is having a severe impact on business.

CPNO members can vote in support of Katrell's application for a special exception at the CPNO membership meeting on March 19, when the matter will be included on the land use/zoning agenda. The CPNO will make a recommendation to the city's zoning board prior to a hearing in early April.

Katrell will not be able to attend the CPNO meeting, because she had to make an unexpected trip to India to serve as advocate for some of the new orphan girls in the Learning Tea program; they were being prevented from registering for school because they are of low caste. "They have no one else," said Katrell, speaking from the airport, "so I just have to make sure they're able to register."

Support Our Local Police Mini-Precinct

L5P operation requests donations

By Richard B. Shapiro, DDS

Now beginning its 14th year of existence, the Atlanta Police Mini-Precinct in Little 5 Points is a cornerstone in our community's approach to reduce crime. The Mini-Precinct continues to provide a crucial increased police presence in our community.

But we need your help to keep it open. Thus, this yearly appeal for individual donations.

Since it opened, the increased presence and visibility of Atlanta police officers that the Mini-Precinct brings to our community has made a significant difference in the conduct of those hanging out in L5P and the surrounding community. We are particularly pleased to continue to have Officer Dino LaRosa (an aggressive officer with decades of familiarity with the L5P area, including many years as our local bicycle officer), assigned to the Mini-Precinct. Our area is far less dangerous than it used to be, when shootings, stabbings, armed robberies, vicious assaults, with some fatalities, were practically routine—these types of incidents have become relatively rare since the advent of the L5P Mini-Precinct (working in conjunction with several other anti-crime initiatives).

It's really a no-brainer, having more cops around (staffing the precinct, bike and motorcycle patrols headquartered there, officers coming and going, filing reports, taking breaks, etc.) makes criminals and problematic elements tend stay away and/or watch their behavior. This protects people, possessions, and property values.

The Mini-Precinct is a public/private partnership between the City of Atlanta and the community. The community provided the funds to renovate the space and continues to pay for rent, utilities and other operating costs. The Police Department provides the officers, equipment, supplies, video surveillance, etc. This satellite police station's funding comes from L5P Business Association and its members; grants from the Inman Park Neighborhood Association and the Candler Park Neighborhood Organization; and contributions from individual households in the area.

Keeping the Mini-Precinct here requires funding. Send your personal contribution now (matching your last year's contribution, or sending \$50, or more is suggested). It's the right thing to do for your community, your neighbors and yourself. Send your check (include your name, address and phone number) to: **L5PBA Mini-Precinct Fund, PO Box 5733, Atlanta, GA 31107.**

SweetWater 420 Fest Is April 20-22

5K race and wristband sales benefit Candler Park

Here it comes...the SweetWater 420 Earth Day Celebration, April 20-22, when fans of beer, music, and the planet will flock to our neighborhood for one of the first outdoor festivals of spring. Put on by SweetWater Brewing Company, the event features nearly 20 bands, a comedy tent, artist market, kids area, food, and an Earth Day focus. No dogs this year, though—they're no longer allowed, along with coolers and outside alcohol.

Admission is free; beer drinkers will need to buy wristbands for \$5. A portion of the proceeds will benefit Park Pride/Candler Park. For more information about the festival, visit sweetwater420fest.com.

From volunteer coordinator Anne Steib: Please join us for this year's SweetWater 420 Fest 5K, and volunteer with your friends and neighbors. This year's event, which benefits the CPNO, expects over 2,000 participants, and we need volunteers to cheer on the runners and to make this a success. All volunteers will receive a t-shirt, a wristband for the festival, a drink ticket and most of all have a great time! Volunteers do not have to be Candler Park residents. Please contact Anne Steib (anne@steibster.com) with any questions.

To volunteer, please go to: <http://www.signupgenius.com/go/4090F4BA4AE2E5-sweetwater>

Parking info from event organizer Kristen Sheehan: If you live within a two-block radius of Candler Park and do not have off street parking, please visit www.candlerpark.org for the link to obtain a parking pass. If you have trouble using this link to the Google form, please email the make, model & tag number of your vehicle, as well as your name and street address to kristensheehan@gmail.com. Your information will be added to a list given to Atlanta Police so that you may legally park in our "No Parking" zones surrounding the park. You will also receive a pass in your mailbox the week of the Fest. Please be sure to put this pass on your dash when parking in these areas during the week of the 420 Fest. If you do not submit your information by April 1st, you may be towed when parking in these areas. Please pass this word on to your neighbors so that we may accommodate everyone. We appreciate your cooperation!

Polishing Iverson Park

Work Day March 24

By Eric Dusenbury

On Saturday, March 24, the Friends of Iverson Park will complete their project by installing durable low-maintenance perennials along the front of the park. There are a lot of holes to dig plus mulch to spread, so we are looking for volunteers to help the work go quickly.

Please contact Eric Dusenbury at 404-522-7130 or eric.dusenbury@gmail.com if you would be willing to help with this effort.

Mary Lin Kindergarten Roundup

Tuesday, April 17

By Anna Coan

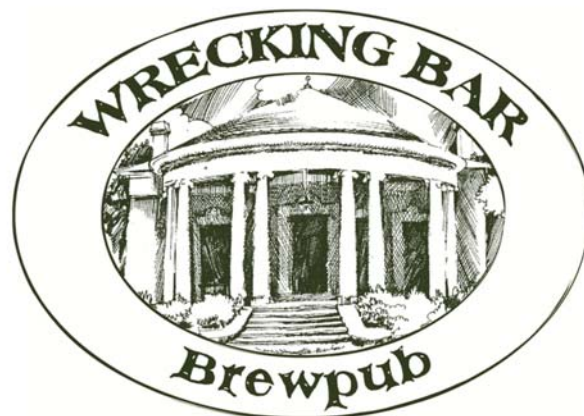

Mary Lin Elementary's annual Kindergarten Roundup is Tuesday, April 17th at 9:30 am. It's a great opportunity for parents/guardians of rising kindergarteners to meet the Kindergarten team and hear about what's in store for the upcoming year. Parents are highly encouraged to bring your rising kindergartener to meet other kids that will be entering in August and to hang out in a kindergarten classroom with a current kindergarten class.

For more information, email peggyfromli@gmail.com or call the Mary Lin office at 404-802-8850.

Eat At the Wrecking Bar, Support Grady Robotics

It's a win-win March 22

By Paige Parvin

It's nearly Friday, everyone's tired from a busy week, and there's nothing but leftovers in the fridge. What better excuse to head to the Wrecking Bar in LSP?

How about this one: **on Thursday, March 22, the Wrecking Bar Brewpub will donate 20 percent of your check to the Grady Robotics Team** when you identify yourself to your server as a Grady HS Robotics Team supporter. The Wrecking Bar Brewpub's hours are 4 pm to 11 pm, and the restaurant is family friendly, so bring the kids! Check it out at www.wreckingbarbrewpub.com.

Many high school students from Candler Park and surrounding neighborhoods are part of Grady Robotics, a team of students who participate in a variety of competitions revolving around the design, construction, and operation of robotic technology. The team is currently fund-raising to attend the worldwide FIRST Championship in St. Louis in April.

The group has been competing since 2004 and has been successful in the FIRST, VEX/FTC, and BEST competitions. The Grady Gearbox Gangstaz are a student-driven organization open to any and all students at Grady High School. We use robotics as an opportunity to share educational and fun learning experiences. City of Atlanta Weatherization Rebates Available Until March 31

The City of Atlanta residential weatherization program that has provided thousands of dollars in rebates for qualifying home energy efficiency improvements is encouraging Atlanta homeowners to take advantage of remaining rebate funds before March 31, 2012.

SHINE – Sustainable Home Initiative in the New Economy – is a federally-funded program offering residential property owners the ability to get up to \$3,500 towards air sealing, insulation improvement, weatherstripping, caulking, and the replacement of older, inefficient heating and cooling systems.

“A properly weatherized home can save homeowners an average of \$437 on their annual utility costs,” said Aaron Bastian, Communications Manager for the City of Atlanta’s Office of Sustainability. “Not to mention it makes their homes more comfortable.”

Find out how you can qualify for SHINE at www.shineatlanta.com or email shine@atlantaga.gov for more information.

Atlanta Remodeler Named NARI 2012 Regional Contractor of the Year

The National Association of the Remodeling Industry (NARI) awarded Renewal Design-Build with two 2012 Regional Contractor of the Year (CotY) awards in the Residential Kitchen and Residential Bathroom categories. This is the fourth consecutive year the company has been honored with CotY awards. The winning projects, both located in Decatur's Winnona Park neighborhood, involved careful square footage analysis to design and build a larger, more modern kitchen and bathroom without adding any footprint to the home.

Contractors from seven regions around the country vie for CotY Awards every year. Regional winners are eligible for the National CotY Awards. Judging is based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty, and entry presentation.

Clifton Sanctuary Ministries Earns Community Service Award

By Alice James-Jenkins,
Executive Director

2012 is proving to be a year of great accomplishment for Clifton Sanctuary Ministries.

On January 19th Emory University awarded Clifton the distinguished Martin Luther King, Jr. Community Service Award. If you missed the news, be sure to visit our website, www.cliftonsanctuary.com to get the complete story. This was, indeed, a great honor, yet in many ways the first part of 2012 has been business as usual.

Our operations committee reports that Clifton faces a critical need. We must repair the showers in the shelter. Clifton Sanctuary's two shower stalls serve 30 men 365 days a year. We have received two grants of \$4,500 to put towards the repairs but we still need \$5,500 for the entire project.

It is my fervent hope that you will stop for just a moment, long enough to send a check of \$25.00 to Clifton Sanctuary Ministries. Please consider it a shower present for your friends who are our guests here.

CPNO Membership Meeting Minutes, February 20

Submitted by Mischa Uppelschoten, CPNO Zoning Officer

Guest Speakers

Atlanta Police Department

- * New zone commander: Keith Meadows.
- * Two vehicle break ins reported, compared to other zones relatively low.

Alex Wan, Atlanta City Council

- * Discusses penny sales tax vs.. rate increase for water and sewer system improvements.
- * After 2013 Council elections, Candler Park will be assigned to district 2, Kwanza Hall
- * States that visioning process will be important input for city council when a decision needs to be made about the golf course.

Atlanta Board of Education/rep Cecily Harsch-Kinnane and chair Reuben McDaniel

- * Deliver feedback for demographers until February 24.
- * Demographers maps will be overlaid with with superintendent's considerations (resources, social aspects etc.)
- * Issues with split neighborhoods as shown on the current maps will be "cleaned up".
- * Board members are particularly interested in arguments for a certain solution (districting) that touch on topics like education type, safety and walkability.
- * Davis' term ends in July 2013. RMcD does not think his term is a concern.
- * A 5/6 grade academy is possible. It may be that this topic is discussed after a final vote on the maps. The board is very interested in community standpoints and background information (research) about this option.
- * APS is researching using currently owned and unused property (Walden)
- * Past SPLOST: CHK says that commitments were made, but due to unexpected higher costs for ML construction, as well as a redistribution of funds due to a counting error, this could not be realized. CHK and RMcD confirmed that they will advocate for a ML extension.
- * It is very helpful to fill out the survey at <http://www.survey2go.net/aps/?sid=203>

Traffic Calming Oakdale @ McLendon.

- * Jay Sandhaus invites neighbors to participate in a group that will propose solution to the city for this.

Education Committee

- * Visit <http://www.candlerpark.org/redistricting> for the latest news.

SPACE ETIQUETTE FOR DOGS

To: People with "Friendly Dogs", Off-Leash Dogs, & Retractable Leash Dogs

NEWSFLASH: Running up to another dog and ignoring requests to go away is not "friendly", it is rude. Just like people, DOGS NEED PERSONAL SPACE. If a stranger came up and put his hand on your body, you'd be allowed to step back, yell, and push him away. Dogs have the same right to enforce their boundaries. Some dogs are called "reactive" because they are more sensitive than others. Reactive dogs are good dogs, they just need more distance and compassionate training. You can help them by honoring their need for personal space.

1. NEVER LET YOUR OFF-LEASH DOG GO UP TO AN ON-LEASH DOG.
2. LOCK RETRACTABLE LEASHES WHEN YOU SEE OTHER DOGS.
3. ASK BEFORE APPROACHING OR PETTING ANY DOG.
4. HAVE COMPASSION FOR PEOPLE WITH SHY OR REACTIVE DOGS.

Please do not chase us. Let us pass without interaction, and keep your judgements to yourself.

CAN MY DOG SAY "HI"?

SORRY, NO. I HAVE A DOG THAT NEEDS SPACE. THANK YOU.

Join CP Marathon Cheering Zone

By Steve Goff

Come out and join the Candler Park cheering zone for the Publix Marathon on Sunday, March 18, 2012. **Show up at the corner of Candler Park Drive and McLendon Ave any time between 7:30 am and 9:45 am**, when the runners will be passing through. We are mile 8 of their journey. The earlier the better, but come any time!

The top two neighborhood cheering zones voted by the runners can win up to \$1,500 for their neighborhood organization. We won first place last year, plus, we had a lot of fun. This is a kid-friendly event so please bring the whole family out to cheer on the runners.

The cheering zone organizers will be at the location starting at 7:00 am and will have posterboards and markers so you can make a sign. Signs should mention Candler Park as it will help resonate with the runners when it is time to vote. It has been suggested to bring noisemakers (cowbells, drums, etc.) as a way to add to the clapping and cheering. Encourage your neighbors to come and have a good time. Lastly, the cheering zones are supposed to wear the same color, so come decked out in your GREEN apparel. See you there.
