October Meeting:

There will be several votes at the October CPNO meeting:

- First we will be voting on whether or not, as a neighborhood, to support the Candler Park Pool Association.

- Further we will be voting on donating seed money to the Candler Park Pool Association. This money will be used to cover expenses such as incorporation fees, physical improvements (expanding deck area by moving fence, new chairs, umbrellas, etc.), cleanup, general landscaping, grant applications, and printing/publicity.

- Finally, we will be voting whether or not we, as a neighborhood, support the proposed Mini-Police Precinct planned for Little Five Points.

If you have questions about the Pool Association prior to the meeting, please call Leslie Lowe (404/659-4161) for more information. If you have questions about the Mini-Precinct, please call Dr. Richard Shapiro for more information.

CPNO Elections

CPNO Officer Elections will be held during the November meeting. If you are interested in serving as an officer (you must be a resident of Candler Park and have attended three meetings in the past year to be eligible) please contact Dempsey Herlihy at 4/523-6758.

Support the Pool!!!

At the upcoming CPNO monthly meeting, Candler Park residents will be asked to vote on a proposal to provide seed money to the Candler Park Pool Association. I urge you to support this worthy effort.

The Candler Park Pool Association is a group of your neighbors that is volunteering their time to achieve a worthy goal— to bring the operation of the Candler Park Public Pool under a management structure that will provide greater service and accountability to the public that uses the pool. This is NOT an effort to privatize the pool. Rather, following the example set by the Garden Hills Pool Association, the CPPA aims to improve the facility and at the same time increase access hours for the public at large while also providing enhanced services for families that choose to support the pool through membership fees. As anyone who has visited the Garden Hills Pool can attest, neighborhood control of our recreation facilities is sure fire road to improving our pool.

The money you’ll vote on at the next meeting is earmarked for the following purposes—incorporation fees; printing fees; physical improvements (e.g., chairs, shade, expanded deck); landscape; general cleanup; pool fund-raiser; topographic survey; and a membership promotional sign with architectural rendering of the master plan. The amount in question is a fraction of the overall operating budget— the bulk of the operating and improvement funds will be raised through memberships.

Again, it is important to recognize that this is not an attempt to create an exclusive, elitist “country club” in the middle of our neighborhood. Membership fees will be very reasonable, and regular entry fees will remain stable. The CPPA does not want to exclude anyone who wishes to use the pool in a respectful and neighborly manner. What everyone wants is a clean and well-kept facility, well run by an attentive and competent staff. A place where the entire neighborhood can come together, play and relax. After years of poor management by the Atlanta Parks Department, this group of concerned neighbors has banded together to try to make the dream a reality through grassroots action. You can help by voting to approve this seed money.

Please be sure to attend the next meeting and vote YES for funding the CPPA.

Crime Report

We experienced more crime activity than usual in late August and early September, but on September 21 in the 400 block of Oakdale police arrested a burglar they believe to be responsible for much of this increase. Thanks to Zone 6 police for catching up with him. I hope to have more details of this arrest and some information on security patrols for our October meeting.

During the four weeks covered in this report, among Candler Park’s approximately 1400 households and businesses, we had reports of 14 burglaries and four attempts, five thefts from a vehicle, five motor vehicle thefts, eight other thefts, two robberies and one attempt, and one sexual assault. Please note that we are beginning to report the MARTA station crimes for the first time. One robbery and the sexual assault were at the MARTA station.

Please let me know about any crimes I miss so I can report them in an update the next month. And do call me at 404-378-5883 after you make a police report so we will know to check for it before we go to the precinct. Please get in touch if you are interested in working together to make our neighborhood a safer place. Thanks to Austin Wattles for helping with data collection. Send me an e-mail note to notify me or if you want to be notified of any unusual activity - bertsellie@mindspring.com.

Letter from Major Banda, APD
As our communities in Zone 6 enjoy a decrease in violent crime and the amount of drug activity on our streets, neighborhoods and police priorities change. This is not to say that we do not still have problems in these areas, but what it does mean is that traffic related issues and prevention of car break-ins are being looked at with an increased amount of vigilance. Because of increased enforcement of parking violations in Zone 6, I have received some concerns from citizens, especially when vehicles are cited for parking the wrong way on a public street. In order to prevent any misunderstanding, this practice is against the law. Even if your vehicle has been parked the wrong way for years, this does not prevent you from being cited. The rationale behind this ordinance is that vehicles parked against the flow of traffic have a higher potential to be involved in an accident when leaving the parking space. Parking the wrong way may also cause an accident because the reflective red lights on the rear of the vehicle cannot be seen by oncoming traffic.

If is very disheartening to have a citizen say to an officer, why don’t you find something important to do like prevent burglaries rather than giving me a ticket. In actuality, as one police officer told me, I have never seen a house get burglarized while I was writing a parking citation in front of it.

Yes, we still have crime problems to be solved, but we will also enforce all laws for the safety and good of the community.

Sincerely,

Major C.A. Banda
Commander
Zone Six Precinct

Reply to ‘Paideia Responds’ in August Issue of Messenger
An article submitted by Peter Anderson and Bill Dorn to the August issue of the Messenger contained statements about me by name that are false. No proof for these statement was offered. Neither Peter Anderson nor Bill Dorn was present at the meeting alluded to in the article. Yet, statements about what was said or done at this meeting were made - statements that are false. I expect a written retraction of these statements to appear in the next issue of the Messenger.

Halloween Bash
The annual Clifton at McLendon Halloween Bash will be on Saturday October 31st from 5PM - 10PM. We are making a few changes this year in the hope of causing less inconvenience for the neighborhoods and ensuring the safety of all attending.

Trick or Treating will take place from 5PM - 7PM, store to store. Children MUST be accompanied by an adult, as McLendon Avenue WILL NOT be blocked this year. Music will be from 7PM - 10PM, located in the parking lot of the Candler Park Supermarket. We hope to keep this event fun and safe for everyone and are asking for the cooperation of all, so that this long-standing tradition may live on.

HAPPY HALLOWEEN

Candler Park Tour of Homes
A Christmas-time Tour of Homes is in the works for this year. Volunteers are needed both to help plan the event and help the day of the tour. Additionally, houses are still be sought. For more information, please call Dan Benefield.

Messenger Deliverers Needed
Deliverers are needed for the following routes:
Miller Ave.
McLendon from Candler St. to Elmira
Euclid from Euclid Terr. to Moreland
If you are willing to take on one of these routes, please call Betty Knox (4/378-3544)

Thanks To Our Candler Park 5K Sponsors!
The Candler Park 5K (held in June) was a wonderful success this year. With 400 runners participating we raised $3000 for the neighborhood. This money was donated to the Freedom Park Conservancy, to be used to further improve the parkland in our neighborhood. This race would not have been the financial and organizational success it was without the generous support of our sponsor - many of them long-time sponsors of our neighborhood events. Please show these businesses your support by patronizing them.
